

8. Rounding Decimals

a)

Rounding rule: Look at the next digit of the last place to keep; if ≥ 5 , round up; if < 5 , round down

$$3.47 \rightarrow 3.5$$

Round to tenths place. Look at hundredths place. Hundredths is 7, $7 \geq 5$, round up

b)

$$6.23 \rightarrow \boxed{}$$

Round to tenths

8. Rounding Decimals

c)

0.584 →
Round to hundredths

d)

12.96 →
Round to tenths

8. Rounding Decimals

e)

5.091 →
Round to hundredths

f)

9.999 →
Round to hundredths
